Dear Parents,

We have a new digital resource that we would like to share.

It is called the Fun eReader® from Arbordale Publishing. The Fun eReader features 140 children's picture books that read-aloud in both English *and* Spanish with word highlighting, audio speed control, and animals sounds when tapped. The ebooks are wonderful stories with lots of animal characters and with science, nature, and math themes plus beautiful illustrations. In the back of each book, you will find a 2-6 page *For Creative Minds* educational section that you can explore with your child. You will also find 20-40 pages of cross-curricular teaching activities, and three interactive quizzes with each ebook.

Here is how to access our Fun eReader:

Note: Swap out the highlighted text with code & links provided in the set-up email.

1. Access Link.

Access Link: www.arbordalepublishing.com/password-protect.php?l=XXXXX
Password: [XXXXXXXXXX](#) (not case sensitive)

2. Fun eReader Apps for your iPad and Android based tablets.

On the App's registration page, school eBook Site License users select their country, state, school and then enter the school password.

3. School Website. Access through our website's [XXXXXXX](#) page.

4. Arbordale Access Portal. Go to www.arbordalepublishing.com and click "eBook Access" on the top line. Under "School's eBook Site License" (center column), select state, school, and login with the school password.

** The password and 6-digit site code are not intended for dissemination beyond our school and we ask that it not be shared outside your immediate family.

If you like the ebooks and think you might also like to purchase either hardcover, paperback, or Spanish paperback editions for your family and friends, Arbordale has set-up a special [Family Coupon Program](#), which offers parents a 30-50% discount for online store book purchases and our school receives a 10% store credit from the publisher. If you would like to take advantage of this offer, just select items from Arbordale's [online store](#) and during checkout, enter this 6-digit Fun eReader code ([XXXXXXX](#)) in the coupon code window.
