

# Three Little Beavers

Written by Jean Heilprin Diehl

Illustrated by Cathy Morrison

## Beatrix, Beverly, and Bevan are Trapped!

Beatrix the beaver longs to be good at something. Her brother Bevan is an expert at repairing the lodge with mud and twigs. Her sister Beverly is a superb swimmer and underwater gymnast. What makes Beatrix stand out? One day, she runs away by swimming up the creek and finds some fresh garden plants to eat, and tasty trees to gnaw. When her siblings set off to find her, all *Three Little Beavers* wind up trapped! It takes some simple engineering on the part of the humans who set the traps, and Beatrix's discovery of her special talents, for the people and beavers to finally find a way to live in harmony. **Cathy Morrison** may have started her art career in animation but she soon fell in love with illustrating children's books and has been doing so for 20 years.
