Sylvan Dell eBooks Voted Top Product by *District Administration*

Mount Pleasant, S.C. Dec. 1st, 2012 -- Sylvan Dell Publishing eBooks and eBook Site Licenses voted one of *District Administration* magazine's "[Readers' Choice Top 100 Products](#)" of 2012.

District Administration is the most-widely read information source for K12 administrators across the United States. K12 district executives rely on *District Administration* to discover smart solutions for the many challenges and opportunities they face every day. From the thousands of nominations received, readers' votes narrowed the list down the list of products to the top 100 best products of the year.

Sylvan Dell makes it its mission to promote a cross-curricular learning experience in every book they publish. Each eBook and eBook site license comes with interactive features such as auto-flip, auto-read, and selectable English and Spanish audio and text. Sylvan Dell's *Science and Math Through Literature* program incorporates reading, science, math, geography, character skills, and language learning in each and every title. Both Sylvan Dell's "For Creative Minds" section and extensive online teaching activities make it easy for educators to create lesson plans no matter what goals they have in mind for their students. Schools can purchase unlimited access to all of Sylvan Dell's eBooks for use in the classroom, and can even get whole families involved by allowing parents to access the eBooks from the school's webpage, ensuring that reading and learning doesn't have to end just because the school day did. Now available on the iPad with the Fun eReader app, administrators have one more reason to love Sylvan Dell's eBooks.

About Sylvan Dell Publishing

Sylvan Dell Publishing's mission is to excite children's imaginations with artistically spectacular science, math and nature themed stories. Founded in November of 2004, Sylvan Dell has grown to include more than 80 authors and illustrators, in the U.S. and Canada, and 76 titles – honored as finalists or winners of over 70 book awards. Our *Science and Math Through Literature Program* integrates reading, science, math, geography, character skills, and language learning through fun, cross-curricular activities. Sylvan Dell provides more online educator resources than any other publisher in the U.S. For more information, visit <http://www.sylvandellpublishing.com>.
