

Growing Good Veggies from Stumps, Seeds and Leaves

Vegetable	Day 1	End of Week 1	End of Week 2	End of Week 3
Name of your plant. What do you know about growing your fruit or vegetable?	How did you plant the fruit/vegetable? Any special treatments of the fruit/vegetable?	Has your plant grown? How much water does it need? How much sun does it get?	Has your plant grown? Are you doing anything different?	What changes do you see happening?
