

Arbordale eBooks

Your children or grandchildren will think they are playing but they are really learning. 140 fun-to-read picture books that subtly introduce science & math concepts. When your children get excited about learning more, each book has activities in the back so you can answer their questions and help them learn more about the underlying subject.

- 140 dual-language, STEM themed picture books on the Fun eReader®
- Read-aloud in both English *and* Spanish with word highlighting and audio speed control
- *For Creative Minds* educational section in the back of each book
- Online Resources for each title: 20-40 pg Teaching Activities / 3 Interactive Quizzes
